# Break out sessions

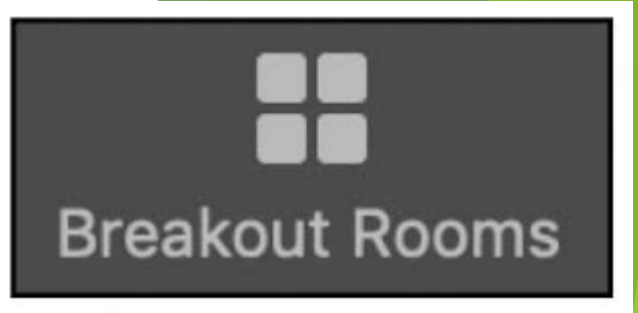

Learn and discuss!

1. **The role of the city and the parking manager: plan, permit, procure**  
(*Park4SUMP, Ivo Cré, with Birger Elvestad, Trondheim*)
2. **EV charging solutions with low impact on public space**  
(*USER-CHI, example from Berlin (Thomas Lymes (from Eurocities) with Luca Grzeski (from Gewobag) and Jasmin Rychlik (from VMZ)*)
3. **EVs and parking operations: services, tariffs, and enforcement**  
(*eCharge4Drivers, Pedro Gomes with Mathilde Dioudonnat, Grenoble + Mr Karfoupolos, ICCS*)

You are invited to select one of three sessions for round 1.

If your Zoom version does not allow you to go into a break-out session of your choice, we will manually allocate you to the session of your interest.

After 30 minutes, we return to the plenary room, and move into the second round of discussions, again upon your choice of topic. We recommend you select another topic than the one you chose in round 1.
