Impact & outcomes

Free parking because of COVID → March – April 2020

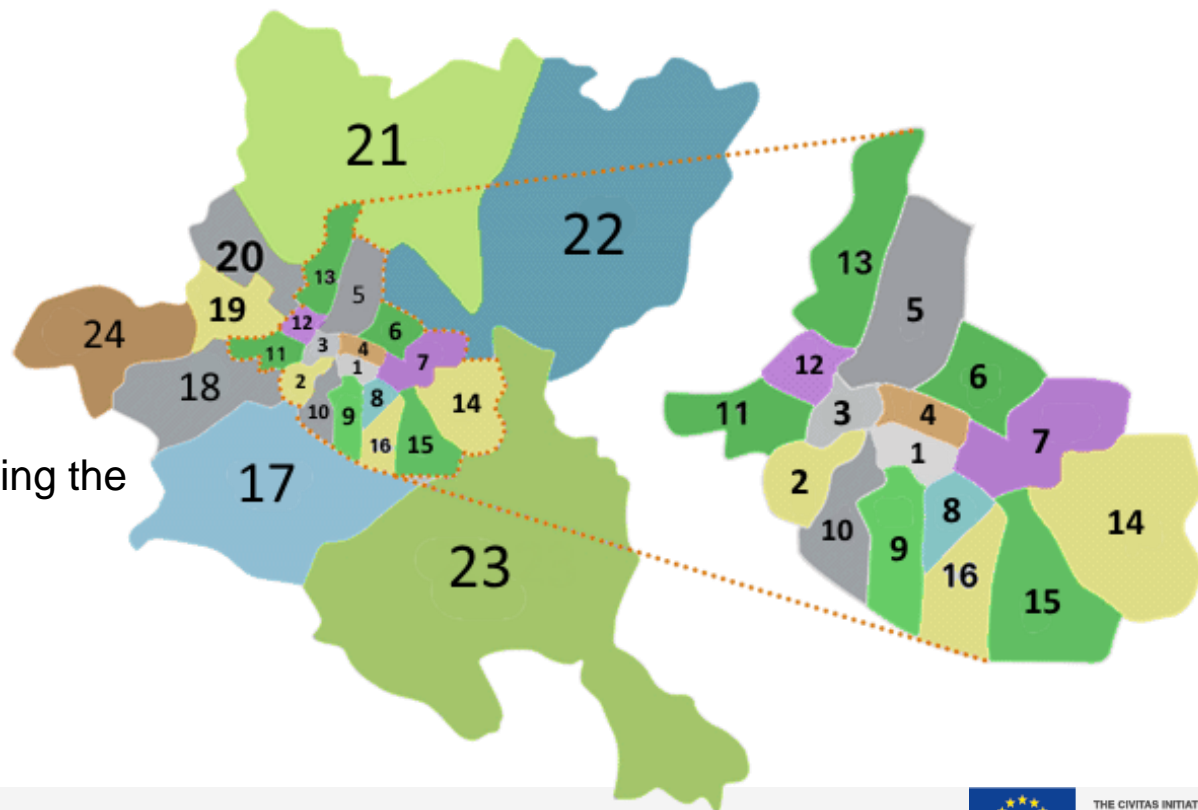

- On-street parking for free to reduce crowds in public transportation
- Effects: more traffic, difficulties in finding parking space, complains from residents/businesses
- Impact of COVID pandemic:
 - Less passengers in public transport (partially recovered)
 - Increased car use
 - Increased delivery traffic
 - „Safe“ car might stay in customers' mind for some time

Including new areas to the paid parking zones

District level approach

Several public discussions

Sofia Municipal Council is having the final decision
